

Talk Well-being 2026

Let's talk about where you live!

We want to hear what children think about living in Gwynedd or Anglesey.

There are no right or wrong answers — we just want your opinion. What you tell us will help grown-ups make better choices for children now and in the future.

Why are we asking you?

Because children's voices are important. What you say will help to create a better future and help adults understand what matters most to you.

You can answer on your own or with others. You can write, draw, or talk about your ideas.

★ What's great about where you live?

Think about your favourite places to play and things you enjoy doing.

What would improve the area for you and the children in the future?

Think about the things that are important to you today and what would improve your future. Draw or write your ideas here:

What's hard for children in your area?

Think about what isn't working, what's missing, what's unavailable, or what you don't have access to. Draw or write your ideas here:

What's the one important thing you would change in your area?

Why is this important to you and the children of the future? What difference would it make? How would you know that things have got better?-Draw or write your ideas here:

What will happen to your answers?

Your answers will be added to other children's answers and used to help adults make decisions.

Thank you for sharing your thoughts — what you think really matters!
